

Double Plugs (BF)

Double plugs seal air conditioning systems tight to prevent leaking after tightness tests. The solution can protect 2 holes at once, which is more ergonomic for the customer.

Applications:

BF range is recommended for protection of air conditioning systems .

Main features:

Ideal solution for air conditioning systems

Suitable for Automotive segment

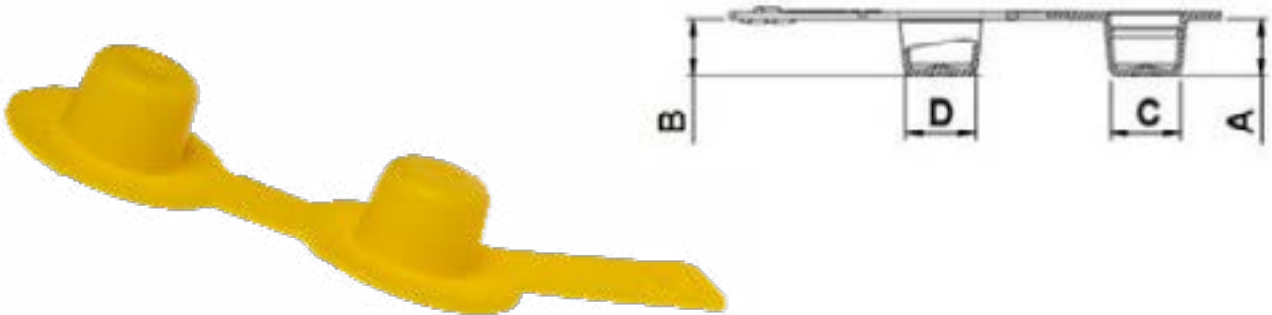

Ergonomic protection

Made of RECYCLE LDPE & TPE

Easy mounting & dismantling

Properties

Standard colour: Yellow
Standard material: RECYCLE LDPE
